

Jov Diversified Flow-Through 2008 Limited Partnership

Tax Estimates for 2009

To assist with your tax planning for the 2009 taxation year, the following estimate of capital gains and expenses incurred by Jov Diversified Flow-Through 2008 Limited Partnership (the “Partnership”) is provided. The numbers provided are an estimate only and are subject to change as a result of the Partnership’s year-end audit. The actual 2009 numbers may be materially different from the estimated numbers.

Capital Gains Estimate for the 2009 taxation year: \$3.07 per unit

Estimated net business expenses deduction for the 2009 taxation year: \$1.13 per unit

The final numbers will be reported on your T5013A slip for 2009 which will be distributed directly from your investment dealers back office in early 2009.

The information provided is strictly for information purposes only and in no way should be regarded as tax advice. You are advised to obtain professional tax advice about your individual circumstances.

About the Partnership (www.jovflowthrough.com)

The Partnership was established to provide limited partners with a tax-assisted investment in a diversified portfolio of flow-through shares of resource companies with a view to achieving capital appreciation and profits. The principal business of the resource companies was oil and gas exploration, development and/or production and mining exploration, development and/or production.
